

Wisconsin ODD FELLOW

THE OFFICIAL PUBLICATION OF THE GRAND LODGE OF WISCONSIN

FLAG DAY
JUNE 14TH

TO BE READ IN ALL ODD FELLOW LODGES: GRAND MASTER'S LETTER

Dear Brothers and Sisters,

This is my last letter for the term of me being Grand Master. I would like to take this time to thank you all for the wonderful honor and privilege of being Grand Master of the jurisdiction of Wisconsin.

During my time as Grand Master I have been to almost all funeral services for members. I only know of two funeral services I have missed and both of those were due to a Manor Board Meeting and The Sovereign Grand Lodge Sessions.

I have traveled to most lodges in our Jurisdiction and will continue to visit all the lodges in the future to help where my help is needed. I have even traveled to lodges outside our jurisdiction.

I have attended District 16 meetings at the lodges in District 16.

I have been to the Tomb of the Unknowns for the wreathing laying ceremony a few times. While there I have seen some of the sites around Washington, DC like the Washington Monument, World War II memorial, Vietnam Memorial, Lincoln Monument, Korean War Memorial, Martin Luther King Memorial and the Holocaust Museum. On one of my trips, I have also visited the flight 93 Memorial. I will keep going to the laying of wreaths at the Tomb of the Unknowns to honor those that gave their life for this country.

I have been at The Sovereign Grand Lodge sessions and have seen The Sovereign Grand Lodge Office and Museum.

I have visited other Jurisdictions Grand Lodge Sessions as a visitor representing our Jurisdiction. Those being Michigan, Indiana, Illinois and Iowa.

I traveled to California to help with the Rose Parade float and to watch the parade in person.

I have been to Benefits to help and show my support.

All these things I have done on top of the regular Home Board meetings, Executive Grand Lodge committee meetings, Trustees meetings, Manor Board Meetings, and Youth/Scholarship committee meetings.

Thank You!

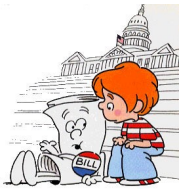

GRAND SECRETARY'S LETTER

Dear Brothers and Sisters,

Our hope is that every lodge has a representative at Grand Lodge this year. This is your time to be able to see and talk to the Grand Lodge officers and to learn how Grand Lodge works. We need your input to better serve the lodges in Wisconsin.

Congratulations to the new officers of the Grand Lodge. We wish you well in your year. We hope that all the members will get behind the new officers and make their work easier.

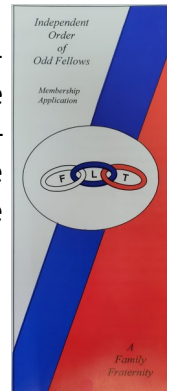

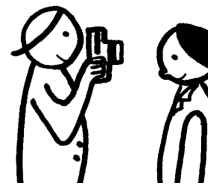

In this issue is the information on the Great Lakes Conference that is being held in Perrysburg, Ohio, this year. The elected officers of the Grand Lodge should be attending this conference as we learn what bills will be coming up in August at Sovereign Grand Lodge and if they are passed how it will affect the Grand Lodge and our lodges.

In August, the Sovereign Grand Lodge Session is being held in Winston-Salem, NC, August 15-19. What a wonderful opportunity to see what goes on at the Sessions. All you need is your current dues card showing that you are at least a third-degree member, and you can visit.

Many lodges do not meet in the summer. Hopefully, you will remember your brothers and sisters who are in distress. Remember to send articles in for our paper. It would be great to have an article from all our lodges about what they are doing. Don't forget to send in the names, addresses, date of birth, date of initiation and sponsor of any new members as soon as they are taken in. Take a picture and send it in for publication in the paper. This would be a great article from lodges.

GRAND CHAPLAIN'S LETTER

What is Faith?

Hebrews 11:1 Now faith is the assurance of things hoped for, the conviction of things not seen.

Psalm 33:22 Let your steadfast love, O Lord, be upon us, even as we hope in you.

Psalm 86:15 But you, O Lord, are a God merciful and gracious, slow to anger and abounding in steadfast love and faithfulness.

Dear Friends in Faith,

Today we will talk about Faith and what Faith means. The above Bible scriptures talk about assurance, hope, conviction, love and faithfulness. To me, Faith is one of the more difficult concepts for many people to understand and to follow. How can we hope for, trust in and follow something that we cannot see?

It has been said that it is better to believe and have faith in a God, and act accordingly, than to find out when you die that there isn't one. That is hope. Or, you can act as though there is no God and think of just yourself only to find out that there is a God. Conviction is the strong belief that God exists, in whatever form you believe, and that he will always be there for us, in steadfast love. Which way do you choose to live?

We are to act as we are taught in the lessons demonstrated in our Odd Fellow teachings that are based upon Bible stories, living in Friendship, Love and Truth, and Faith, Hope and Charity. These lessons become part of who we are, or should be, not just as Odd Fellows and Rebekahs, but also as good human beings.

We meet in Faith with each other, providing friendship and love to our brothers and sisters, and reaching out to our communities in the conviction that there is a merciful and gracious God who will always be with us, in steadfast love.

Dear Heavenly Father, I pray that our Faith will continue to grow so that we can serve you to the best of our abilities, and that our conviction in your mercy and grace will guide us in our efforts. Please be with all those who are suffering in any way, physically, mentally, or in their own convictions of Faith. Amen

NEWS FROM THE ACTIVITY DEPARTMENT

We have been patiently awaiting the arrival of summer and in a few short weeks it will finally be here! We will be celebrating summer with Thibby's Ice Cream stops twice a month in June, July and August. Residents are able to order ice cream treats which will be covered by Odd Fellows or by donations that we receive. This allows all residents to enjoy these special ice cream days without the worry of having the money to cover the cost. In the past we have received generous donations that help cover the cost. It's always a fun way to spend the afternoon, ordering ice cream treats from the truck while it is playing that fun ice cream truck music. It takes us back to when we were kids or raising our own children. Besides that, we live by our motto "It's always a good day for ice cream"!

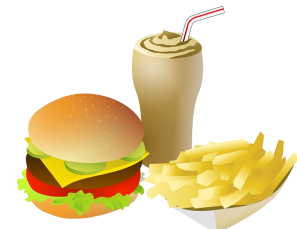

We have also added some theme days to the calendar. Last month we had a "Go Fish Day". We dressed for fishing and had special activities that went with the fishing theme. This month we are having a "Summer Camp Day". We will start the day with our camp coffee shop. There will be a camp craft, and plenty of time outdoors. Be sure to dress for camp! In July we are planning a Red, White & Blue week the week of the 4th. It will be a fun-filled Patriotic week. We will also be doing a Christmas in July Day. Fernando will be here to play music and throws in many Christmas songs to make it a very festive day. In August we will be having a Summer Staycation Day. Dress for a summer vacation with lots of outdoor patio fun!

Outings have started once again. In April we took a spring bus ride. In May we went to the Wildlife sanctuary and this month we are planning a bus ride to Voyager Park for a picnic. We are also doing a special Lunch Bunch each month. In April we had Happy Joe's Pizza. In May we did an indoor picnic. This month we are going to order out. These special activities are sign-up activities due to limited space. Staff try to make sure that anyone interested gets to have an opportunity to attend one of these.

Happy Summer!

Activity Director**

NEWS FROM THE CEO

Hello my friends,

This is a letter that I am having a great deal of difficulty writing. This is my final note to all of you as I am retiring from my position. My notice was given to the Board quite a while ago but with Covid issues and staffing issues, I never felt quite comfortable leaving. I am still not totally comfortable but it is time. Your Home Board has hired my replacement and she is wonderful! She is young, smart, strong, and knows of the issues facing Long Term care. I am confident you will love getting to know her.

Serving as your CEO has been more than I ever hoped for! I am forever grateful for the opportunity and the friendships I have had along the way. So, to my friends and to my amazing Board of Directors I say "Farewell". May our paths cross and our lives always touch one another in some spiritual way.

Always Grateful,

Char

May 2022

Greeting Brothers and Sisters,

This is the time of year that we all start to make our way outdoors to get a breath of fresh air, to see the flowers and trees with buds and blooms and the smell in the air of fresh cut grass. This hopefully gives us all a new look on life and gives us the hope that we can return to somewhat of a normal lifestyle and put COVID behind us. We can return to our lodges and start having our meeting face to face, see our friends that we might not have seen in months and enjoy the wonderful fellowship that has been put on hold due to COVID.

We have seen that most Jurisdictions have scheduled their Grand Lodge and Rebekah Assembly sessions to meet in person, some not as long as prior, but still to meet and conduct what business that needs to be done to keep the Order moving forward. Our Executive Board has been and will be very busy the next 3 months making visits and working on getting things ready for our annual sessions in August which will be held in Winston-Salem.

We are getting ready to make our annual trip to the Tomb of the Unknowns next week and are looking forward to seeing as many of you as possible there. This is a great honor to be allowed to have our wreath laying ceremony at the Tomb and at the bottom of the steps for all our Jurisdictions. The laying of the wreaths at the Tomb of the Unknowns is an opportunity to express our appreciation and sympathy to those who gave their lives that we could celebrate freedom. Please try and make time to partake in this event, you won't be sorry, it will be a memory that will last a lifetime.

I would like to mention on my visit to Rhode Island Grand Lodge, that when it was time for qualified candidates to take the Grand Lodge degree, that the Grand Warden, who

was a younger man got up and did the complete degree by memory, he did not have a book with him, I was so impressed that he took the time to memorize this. This shows that we still have the power to get these younger people in our Order and watch them grow.

We would like to thank everyone and every lodge that has donated to the Ukraine relief fund to assist our Brothers and Sisters that have fled to Europe for help, food and shelter. As of last check, we have received over \$75,000.00 to send to them for relief. This is another great example what true Oddfellows and Rebekahs can do when help is needed. I am very proud of each and every one who has donated to this relief.

Keep in mind that if you have any advance legislation to be presented at this year's session in August, please get it into the SGL office as soon as possible. I am looking forward to a busy session, working on correcting several items in our code book. We have had a few Jurisdictions instituting new units: Odd Fellows, Rebekahs, Encampment and Canton, we are coordinating a new lodge in Egypt, which said they will have several new members wishing to join and create new lodges. Keep up the good work on recruiting these new members.

I am looking forward to my upcoming visits to renew friendships and make new ones, and please let us know if there is anything The Sovereign Grand Lodge can do to assist you in anyway, we are only a phone call away.

Fraternally,

/s/ Chuck Lusk

Dear Sisters and Brothers,

Greetings to all of you,

O Canada! I am thrilled to report that my travels took me to Calgary, Alberta for their sessions in early April. Traveling over the border was not terribly difficult and returning to the United States was not too bad either. In June I will be back in Canada for the Canadian War Memorial wreath laying and then on to Saskatchewan for their sessions. These visits point to several facts. The isolation of Covid is on the wane and these jurisdictions we have not visited for two years have continued with completely normal sessions and work going on. It is a relief to find this to be true and it shows Canada that we have not overlooked them. O Canada!

I have come across two inspirational jurisdictional projects this spring that I would like to briefly share with you. Alberta's Military Council has a program called Crippled and Afflicted Children. It is an amazing project that hand delivers checks to deserving families of children with special needs each and every month. The money is so useful to provide equipment and services for the children and the members who sponsor the child and visit the family with monthly checks become part of the family. I was deeply touched by this project. Our Order makes the world a better place.

Second, I was in Ohio quite recently and found a project the Rebekahs fund that is quite moving as well. It is Sally's Flag Fund and money is raised to purchase the flags that are placed on veterans' graves for Memorial Day. Flags flying in cemeteries all over America is such a beautiful tribute to veterans and I applaud the Rebekah Assembly of Ohio for stepping up to the plate to keep the flags flying in Ohio. Again, our Order makes the world a better place.

In keeping with my motto "Together We Can Strengthen our Roots," I encourage all of you to make a difference in your community. It doesn't have to be a huge project. A plan to visit shut-ins or bring the infirmed a meal or flowers makes a huge difference. Don't ever think your lodge is too small to take on a project. It's the commitment to assisting others in the spirit of friendship, love and truth that makes us special.

I only wish all of you could travel with me to see the remarkable works of our Order. You would be thrilled. I hope to see many of you along the way as spring travel continues.

With Love, Pray for peace,

Fraternally,

Greetings,

I hope this newsletter finds everyone doing well. I hope that everyone is trying to adjust to these crazy weather conditions.

With the communication from the Sovereign Grand Master Brother Chuck Lusk on our meeting restrictions which for the most part have been lifted. We need to start returning to meetings and getting involved back into our communities. As we plan our meetings, sessions and events please take all necessary precautions needed to ensure safety. We are in full swing with our visitations to jurisdictional sessions and events, it has been great spending several weekends with my counterparts Brother Chuck and Sister Kathy. I want to Thank the jurisdictions for the courtesies extended to me and my officers.

As of this newsletter we will probably have already attended the Eighty-eighth Pilgrimage to the Tomb of the Unknown Soldier in Arlington Virginia. As always, we need to be solemn in our ceremonies as we pay respect to those who have given so much for our freedoms. We need to learn and teach of the history of Arlington to others and our young people of and about our ceremonies there for our Order. We need to show respect and conduct ourselves in a quiet orderly manner fitting for those who are entombed there. We will also be laying Wreaths in Ottawa, Ontario on the weekend of June 3rd-5th at the Canadian War Memorial. I feel honored to be able to participate in these events as General Commanding honoring our brave men and women.

The last weekend in May is Memorial Day try and get your lodges involved in your communities' Memorial events, services or parades. June 14th is Independent Order of Odd Fellows Memorial Day, coordinate a memo-

rial ceremony with the units in your area – lodge, district, battalion, etc. Also, Canada Day, July 1 and 4th of July are great opportunities to get your lodges involved in your communities with events and parades.

As The Sovereign Grand Lodge Sessions are quickly approaching and you will be filling out your registration forms and sending in please remember to sign up for the Youth Banquet on Friday night, please come and join the Youth at their sessions on Friday and Saturday be part of these Youngsters events encourage them to want to continue their Odd Fellowship journeys.

In closing I ask each of you to continue to check on your Brothers and Sisters who are sick or distress, check on the shut-ins keeping all in our thoughts and prayers. Please continue to keep in our prayers our Brothers and Sisters around the world who are in distress.

Please keep the family of Lt. Gen. Gary Kniss, Deputy General Commanding (Retired) who passed away on March 9th 2022. Rest in Peace General.

Brigadier General Angelo Correa, Sentinel for the General Military Council 2021-2022 who passed away on April 19th 2022, was one of my Officers for this year. He was a very enthusiastic young gentlemen who was full of love and a strong wanting to help his fellow man and a great friend. Brig. Gen. Angelo will be greatly missed from our ranks as a strong family man and Brother to us all. Rest in Peace General.

Chivalrously,
General Michael Bowers

Be safe, safe travels to all and we hope to see you very soon.
